

# Summer 2016 Tennis Camp

The ethos of all the Pavilion camps is to develop children's fitness levels, co-ordination and ball skills, whilst promoting good practice in an active and healthy environment.

Children will be introduced to tennis and other ball sports through a structured programme geared to their natural athletic development, helping to improve technique and build confidence.

The Camp will encourage everyone to play together in an atmosphere of fitness, fun and friendship.

Tournament on Fridays, plus presentation of prizes and certificates.

Rackets will be provided for those who require them.
