

Welcome to the world of Pavilion Mini Tennis

Children between 3 and 10 years old can now get into the world of tennis with an exciting programme offering the perfect introduction to the sport, with all the fun and energy of the real thing.

There are four stages of LTA Mini Tennis; Tots, Red, Orange and Green, and this tailored approach enables players to develop vital skills and techniques at an early age.

LTA Mini Tennis

Mini Tennis Red

is for players aged 8 and under. It is played on small courts with short rackets and soft balls.

It's just like the real game and gives players opportunities to have long rallies and play different types of shots.

Mini Tennis Orange

is a great way for players to continue their progress from Mini Tennis Red and is for players aged 8 and 9. It is played with shorter rackets, softer balls and the courts are bigger and wider than the red stage but still smaller than full-size tennis courts allowing players to develop a rounded game whilst learning a range of techniques and tactics.

It's the next stage before playing on a full sized court and helps players develop different shots and tactics.

Mini Tennis Green

is a great way for players to continue their progress from Mini Tennis Orange. It is played on a full size tennis court, with bigger rackets and balls which are a little softer than yellow balls.

It's the next stage before moving on to full compression yellow balls on a full sized court and helps players develop and improve all aspects of their game.
